Thank you for being willing to serve. Moving forward during the pandemic, 8:00 will continue to be a Eucharist and outside if possible. 10:00 will move to a Eucharist with a congregation and streaming on Sept 13. Since we are expanding to 2 services, with robes for each, please follow the directions below so we can be responsible and careful.

Robing for two services Two people should not wear the same alb on the same Sunday. Luckily we have plenty. If you are an 8:00 server who robes, please hang your used alb on a hook in the hall. 10AM servers please take from the closet and hang in hallway when finished. They will air for a week. Dalmatics will not be worn at the moment since the services are too close together and it is too warm.

Ushers please make sure everyone checks in and sits socially distanced. The pews will be labeled. Also, please keep the offertory basket with you.

Thank you for all you do! Kickie
